

4th Grade Supply List

2020-2021

This year, students will be rotating between three classes each day. Since teachers will see every student each day, we are requesting that you purchase the following items for each class. These are the materials your child will need to be successful in each subject.

However, you only need to purchase the items under “homeroom teacher only” once. These will be the items that will stay in that specific teacher’s classroom. Binders and school supplies will be the parent and child’s responsibility each day.

Thanks so much! Looking forward to a fabulous year!
