Allergies or other concerns we may need to know about:

Camp hours are 9:30-3:00 with extended childcare hours for working parents from 7:30-5:30. **Your child must be picked up before 5:30.** List the people who may pick up your child:

- The school will not be open regular hours over break. The teachers in charge of camp will give you a contact number the first day of camp.
- One snack per day is provided but students must bring a lunch.
- In case of a medical emergency, we will call 911 first and then call your primary phone number. If it is not an emergency, we will call the phone numbers provided first.
- Spaces at camps are limited. Spaces will be reserved after payment is received.
- Payments are non-refundable. We buy supplies and reserve a spot based on payment and may not be able to fill the space at the last minute.
